The HD *TreePro Bed* is built to last. This bed offers the rugged HD construction, ample payload for chips & logs, structural long sills & cross members, our *Tapered* bulkhead, HD rear doors & recessed LED marker lights. With vented sides to allow easy loading, this chipper bed stands alone in the industry. Standard is a PPG Powder Coat black finish to stand up to the elements. Fabricated to go the distance. All that style and the quality you have grown to expect from Freedom Truck Beds.
